

# Pattern Little Chick

## by Maries Perlentiere

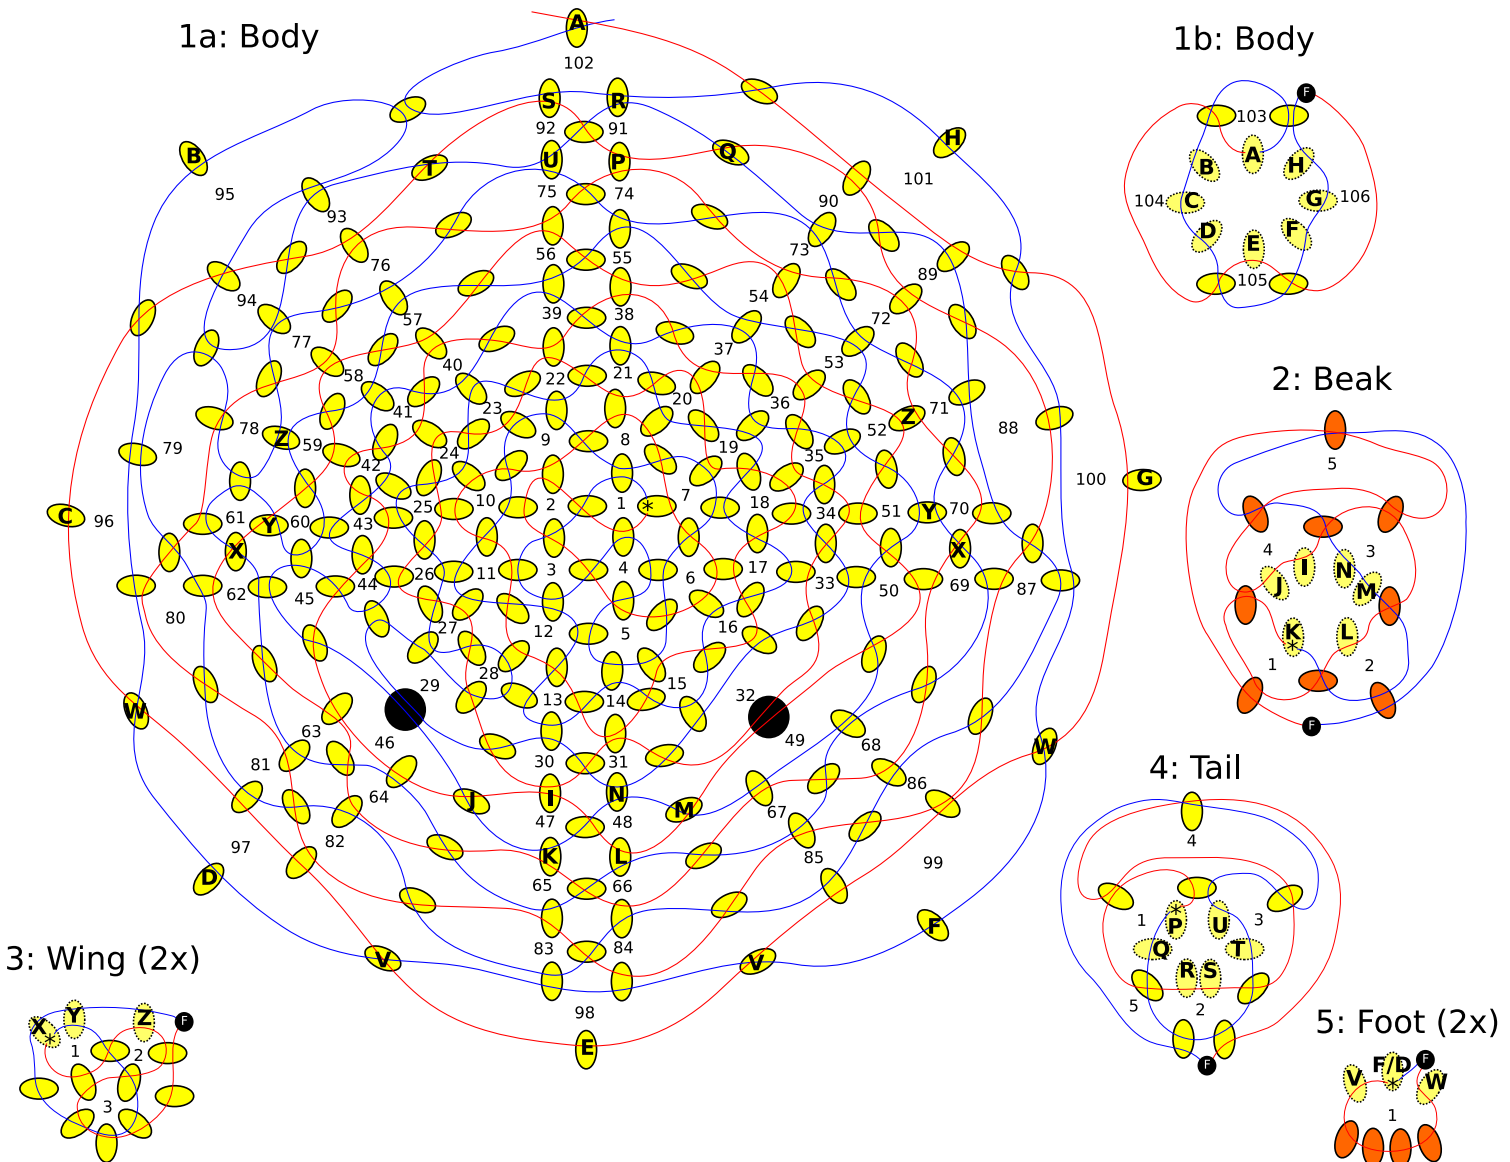

<https://maries-perlentiere.jimdofree.com> \* <https://www.etsy.com/de/shop/MariesPerlentiere>

### Material Requirements:

-  Round beads black 4mm (2x)
-  Seed beads 9/0 opaque yellow
-  Seed beads 9/0 opaque orange
- Nylon thread (0,2mm-0,25mm and wadding)

1. Body: Start with beading the body, following the instructions of figure 1a. Then continue with the instructions of figure 1b. Before closing the body, fill it with wadding.
2. Beak: Find the beads I-N of the body and bead the beak following the instructions of figure 2.
3. Wings: Find the beads X-Z of the body and bead the wings separately following the instructions of figure 3.
4. Tail: Find the beads P-U of the body and bead the tail following the instructions of figure 4.
5. Feet: Find the beads V,W and F (D respectively) and bead the feet separately following the instructions of figure 5. You have completed your little chick!
